It's been five months since the fire at the Murakami mansion
I've moved back into the apartment where I lived with Misato-san.
...I'm all on my own.

NIGHTWALKERS
ナイトウォーカーズ
復讐 第2部
Episode 1
Revenge

Hey, Ichino-suke
I'm home!
I'll get started on dinner right away
Woof!

KUUN
Be a good boy and wait a minute.
Kaname-san disappeared
It'll be ready soon!
Hey now
KUUN
KUUN
I haven't seen him since the fire...
And I don't know what happened to his friends
Kaname-san!
Kaname-san...

KANAME-SAAAAN!!
This...
This is from Murakami-san....

And then I found that 100 million yen (over $1 million USD) had been transferred into my bank account...

But inside the envelope was a letter with only two words written on it...

HOW COULD PRIME MINISTER MURAKAMI BE MISS-ING....!?
DO YOU KNOW WHAT STARTED THE FIRE!?
OZAWA-KUN!
IS IT TRUE THAT YOU WERE THE LAST PERSON TO SEE THE PRIME MINISTER?!

But I...
I still don't know anything...
All I know is just what the police have told me
YOU MUST KNOW SOME THING!!
OZAWA-KUN!
All the media attention is gradually starting to subside
I don't know anything at all
Nothing...
No matter how much I try, I can't remember what happened to him...
But regardless,
Yes...
I see you, Ichinosuke
Kaname-san is gone...

What a beautiful moon!
Yes...
Tonight's moon is rather nice
Don't you think so, Kaname?

...Yeah
It's a really nice moon
Kaname-san...
You've had too much to drink!
You've already emptied three bottles of sake!
You think so?

Geez, you're worse than the doctor
That's it for now
You're still recovering, after all
See ya
I'm going to get some rest
...
...Sleep well

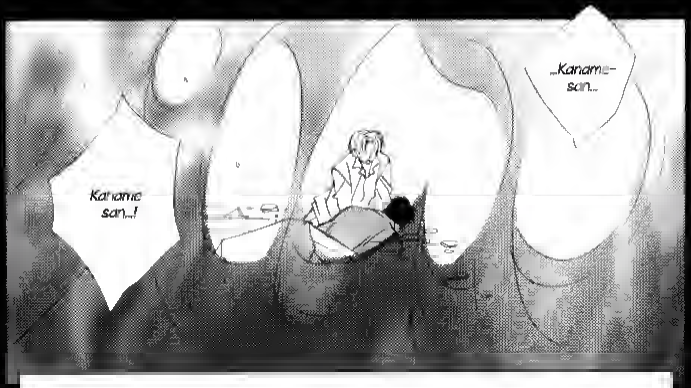
It's already been five months
since the two of you came here
Yes
I apologize
We've been such a burden to you, Salin-san...
Don't worry about that!
I don't mind
You and Kaname are old friends, aren't you?
...But... Kaname-san is under the care of that mad scientist...
As soon as he appeared, you cheered up right away
Yes, Kaname does make a good experimental subject
Haha ha
I'm the same way - I've had a little genetic tinkering as well

I'm heading over to Eichirou's place
That's right
He's another with "Feedback"..
You look kind of worn too.
Oh, really?
Oh, and Midori called this afternoon
You don't have to look so frightened. It's not like I'm going to tell him that you are here
I heard it from Midori herself
That shoulder wound he received from Kaname is almost fully healed
That man...
He's alive...!!

PATA
POTA
GOOOO
Gah...
!?
Touyou-sama!!
That's right...
I need to protect him...
I will save Touyou!
Cause Jouis are fiuuuu

Run..
Please, run!!
Sakyou!?
You shouldn't be here...
Toujou-sama, he's right there
Quickly!
Let go of me Sakyou!
It's too dangerous here!
Kaname-sama
Sizzle
Please, you must escape!!
Sakyou!
It's him who's going to run!

GARAN
!!
Don't tell me... you and that guy...
Sakyou... not you...
*sfx= sudden realization
UWAHH!
CRACKLE
Huh?
Kaname-sama!!
GOO
Kaname-sama!!
*sfx= fire noise



But maybe Touyou escaped unharmed.

Kaname-san is wounded

*Nightwalkers is notoriously stingy with furigana and the kanji for this name can be read as either Shinshuu or Nobukuni.

What should I do....
Yuuki... Midori!?
Why would Kaname-san go anywhere near that mad scientist...!?
I have quite an interest in your "Feedback"...
I simply can't help it~
And if you tried to go back now, you'd likely die

Oh, Gengetsu
Please prepare the surgical instruments
Yes, sir
Sakyou-kun
You're going to help
Alright...
Ah...
Murakami Kaname...
Shall I...
Give you a perfect body...?

...But haven't only five survived?
My intention is to perfect the bodies of all those test subjects affected by "Feedback."
I won't have any part in that kind of betrayal!
Oi!
Leave me out!!
Morigahara-san
And the only remaining unfinished subject is Shounogi-san
And Kitamura had brought him ..
So..
After this,
What are you going to do?

Kaname-san...
He's already recovering from that wound!!
Soon he'll leave the Yuuki household
And then he won't need me to take care of him anymore
What am I going to do.
When he doesn't need me anymore...?

But that's not really something that I can just decide...
?
...Sakyou...?

These five months...
Have been the happiest of my life...
Just once...
...So...
I...
I love you.
I'm still glad to have met you.
Hold me...

...
Can I...
Kaname... san...

*sfx= sound of heavy rainfal
Come with you?

But...
I know now...
What I have to do
Is this really alright with you?
...Yes
...You've been a great help

*shx= sound of heavy rainfall

splash
*stx= heavy rain fall

立入禁止

Even though I know you're not here...
I came back, Kaname-san...
Splash
Huh?

Ozawa...
Tomoki-kun?
